

# Privacy Policy

Please read this Privacy Policy carefully before using the silverrock technologies.

## 1. Information Collection and Use

### a. Personal Information

We do not collect any personal information from users of our application.

### b. Non-personal Information

The application may collect non-personal information, such as device information, usage patterns, and other analytics data. This information is solely used to improve the functionality and user experience of the application.

## 2. Educational and Training Purpose

The application is intended for educational and training purposes only. The data provided in the app is sourced from freely available resources on the internet. Users are encouraged to cross-verify information for accuracy.

## 3. Security

We prioritize the security of your information and employ industry-standard measures to protect it. However, it is essential to understand that no method of transmission over the internet or electronic storage is 100% secure.

## 4. Third-Party Services

The application may utilize third-party services for analytics and performance tracking. These services may have their own privacy policies, and users are encouraged to review them.

## 5. Changes to This Privacy Policy

We reserve the right to update our Privacy Policy from time to time. Users will be notified of any changes within the application. It is advised to review the privacy policy page regularly for any updates.

## 6. Contact Us
